Cable High Speed HDMI with Ethernet - mini C male >A female

from **5,24 EUR**

Item no.: 357451
shipping weight: 0.10 kg
Manufacturer: Delock

23 cm

Product Description

This High Speed HDMI with Ethernet cable from Delock with mini HDMI-C connection was specially developed for the new generation of tablets and digital cameras and is used to transfer data such as videos, pictures, etc.. This allows you, for example, to convert the mini HDMI-C interface of your tablet into an HDMI-A port. Due to the short cable, your device port is less stressed than with an adapter without cable.

- Connectors: 19 pin mini HDMI- C male > 19 pin HDMI - A female
- High Speed HDMI with Ethernet Cable (HEC)
- Transmission of audio and video signals as well as Ethernet signals
- Resolution up to 1920 x 1200 / 1080p @ 60 Hz (depending on your monitor and system)
- Gold-plated contacts
- Wire gauge: 32 AWG
- Cable diameter: approx. 4.8 mm
- Cable length: approx. 23 cm (incl. connectors)
- Colour: black
