## 84776 - Cable High Speed HDMI with Ethernet - HDMI-A male >HDMI Mini-C male 3D 4K 1 m

from **14,97 EUR**

Item no.: 357570  
shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

The High Quality High Speed HDMI with Ethernet cable from Delock enables the connection between a camera or tablet with Mini HDMI interface and a monitor or TV with HDMI-A socket. It is particularly characterised by its small diameter and short connectors. The triple-shielded cable combines fast data transmission as well as audio / video and Ethernet connection in one. Supporting a maximum bandwidth of 18 Gb/s, it can play back content in 4K resolution (maximum frame rate 60 Hz), 3D content in 4K resolution (maximum frame rate 30 Hz) as well as content in 21:9 cinema picture format. The cable enables the simultaneous transmission of two video channels to display video streams for two users on one screen, as well as the simultaneous transmission of up to four audio channels. The quality of audio transmissions is significantly improved by the sampling rate of up to 1536 kHz.

- Extra short connectors with full metal shielding
- Extra small cable diameter
- Connectors: High Speed HDMI-A 19 pin male > High Speed HDMI Mini-C 19 pin male
- High Speed HDMI with Ethernet (HEC) specification
- Wire gauge: 36 AWG
- Cable diameter: approx. 3.2 mm
- Cable conductor: twisted
- Copper wire
- Contacts with gold plating
- Triple shielded cable
- Metal housing
- Transmission of audio and video signals
- Data transfer rate up to 18 Gb/s
- Resolution up to 3840 x 2160 @ 60 Hz (depending on system and connected hardware)
- 3D support: up to 1920 x 1080 @ 60 Hz; 3840 x 2160 @ 30 Hz (depending on system and connected hardware)
- Supports 21:9 cinema aspect ratio
- Supports 1080p HFR (High Frame Rate) 3D
- Up to 120 Hz refresh rate
- Supports transmission of 2 video channels simultaneously to use one screen for two viewers
- Supports 4:2:0 colour sampling (original format of Blu-Ray, DVD and TV)
- Includes audio return channel (ARC)
- Up to 32 audio channels for speakers
- Up to 1536 kHz audio sampling rate
- Supports transmission of up to 4 audio channels simultaneously
- Supports dynamic lip sync adjustment for picture/sound delays
- Supports CEC 2.0 control commands
- Utilises new extended colour spaces for the presentation of digital photos
- Supports Dolby® TrueHD and DTS-HD Master Audio™
- For more vivid and natural colours
- Colour: black
- Cable length: approx. 1 m

#### System requirements

- A free HDMI-A interface
- Device with HDMI Mini-C interface
