Product Description

This cable tie set from Delock can be used to bundle exposed cables for neat and tidy sorting.

This set includes cable ties with three different widths, four different lengths and four different colours for cable bundling.

The box contains a practical tensioning tool with which the cable ties can be tightened. The cable tie is simply inserted into the front binding block and brought to the desired tension by repeatedly pulling the trigger.

The handy box is ideal for protecting the cable ties to keep them free from dirt and dust. The box can also be reused for storage for various items and is also ideal for transporting cable ties.
