## Vintage A60

from **16,05 EUR**

Item no.: 357962  
shipping weight: 0.50 kg  
Manufacturer: Shelly

### Product Description

Remove your old boring light bulb and replace it with the smart vintage-style W-LAN bulb, which has a phenomenal design. With the free Shelly Cloud App, you can control and adjust the brightness of the Shelly Vintage A60 according to your wishes. The smart bulb registers the sunlight and switches the light off and on accordingly.

- WLAN connection. Shelly Vintage A60 can be connected to any W-LAN or act as an access point
  - Energy efficient. Reduce your energy consumption without losing brightness or quality
  - Dimmable light. Enjoy dimmable light by fine-tuning the brightness
  - Compatible with voice assistants. Shelly Vintage A60 is compatible with Amazon's Alexa and Google Home
  - Free Cloud. Through the Shelly Cloud app, you control the Shelly Vintage A60 from anywhere. You don't need an additional gateway, just a wifi router
  - Set timer. The Shelly Bulb can help you get up or help you recharge your batteries, read, concentrate or just relax
-
