

Item no.: 362088

SuperSpeed USB 5 Gbps Docking Station for 1 x 2.5" / 3.5" SATA HDD / SSD

from **31,97 EUR**

Item no.: 362088
shipping weight: 0.40 kg
Manufacturer: Delock

Product Description

This HDD docking station from Delock is used for the external connection of a 2.5" or 3.5" SATA HDD via the USB interface. The docking cable can also be connected to your hard drive without using the cradle. With the help of the enclosed cover plates, you protect the hard drive on the board side from a possible short circuit by simply inserting them into the mounting holes of your 2.5" or 3.5" HDD. Likewise, you can connect a Blu-ray or DVD drive to the docking cable and connect it to your system. With the One-Touch Backup function, you can easily synchronise the data on your hard drive at the touch of a button.

Specification

- Connectors: 1 x SuperSpeed USB 5 Gbps (USB 3.2 Gen 1) Type-A male; 1 x SATA 6 Gb/s 22 pin female; 1 x DC power jack
- Function buttons: 1 x backup button
