

Item no.: 361050

## Delock 19" fibre optic splice box 12x LC duplex OM3 1U fully assembled ready to splice

from **89,83 EUR**

Item no.: 361050  
shipping weight: 2.80 kg  
Manufacturer: Delock

### Product Description

This pre-assembled fibre optic splice box from Delock can be installed in a 19" equipment cabinet and is ideal for quickly and securely setting up the fibre optic network in buildings. Equipped ready for splicing The fibre optic box is equipped with 12 LC duplex couplings and 24 pigtails that are already inserted in the splice cassette ready for splicing. With drawer The front panel can be pulled out, making it possible to work on both sides of the couplings without removing the cover.
