

Item no.: 361057

## 19" fibre optic splice box 24 x LC duplex OM4 1U fully equipped ready to splice

from **249,62 EUR**

Item no.: 361057  
shipping weight: 2.90 kg  
Manufacturer: Delock

### Product Description

This pre-assembled fibre optic splice box from Delock can be installed in a 19" equipment cabinet and is ideal for quickly and securely setting up the fibre optic network in buildings. Equipped ready to splice. The fibre optic box is equipped with 24 LC duplex couplings and 48 pigtails, which are already inserted ready to splice in the splice cassette. With drawer. The front panel can be pulled out, making it possible to work on both sides of the couplings without removing the cover.
