

Item no.: 361044

19" fibre optic splice box 6 x LC duplex OM3 1U fully equipped ready to splice

from **86,73 EUR**

Item no.: 361044
shipping weight: 2.80 kg
Manufacturer: Delock

Product Description

This pre-assembled fibre optic splice box from Delock can be installed in a 19" equipment cabinet and is ideal for quickly and securely setting up the fibre optic network in buildings. Equipped ready for splicing The fibre optic box is equipped with 6 LC duplex couplings and 12 pigtails that are already inserted in the splice cassette ready for splicing. With drawer The front panel can be pulled out, making it possible to work on both sides of the couplings without removing the cover.
