20917 - Notebook fuse spiral cable for USB type A socket with key

from **15,44 EUR**

Item no.: 362000
shipping weight: 0.10 kg
Manufacturer: Navilock

Product Description

With this universal notebook lock from Navilock, various devices such as notebooks, projectors, monitors etc. can be secured at any location. The 1.8 metre long steel cable with key lock can be easily tied around objects such as table legs, chairs or similar and thus secures the device against theft. The swivelling joint makes it easy to attach the lock. Carbon steel
The carbon steel cable with protective plastic sheath is characterised by a particularly high level of cut and theft protection and, at just 122 grams and a length of 1.8 m, offers optimum freedom of movement. Spiral cable
The spiral cable is easy to stow away and, unlike conventional cables, takes up less space. Locking the lock without a key
The special mechanism allows the lock to be locked without a key. The matching key is only required for unlocking.
