

Item no.: 367225

60463 - Cable protection conduit 2 m x 15.8 mm with PG11 conduit fitting set black

from **6,13 EUR**

Item no.: 367225
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This set from Delock consists of a cable protection conduit and a conduit fitting. The gland is simply attached to the corrugated protective conduit and provides a watertight seal to the enclosure when passing cables and electrical wires.

In combination with the protective conduit, the gland offers increased protection against dirt and moisture.

The protective conduit is characterised by its high resistance to abrasion, temperature and chemicals. In addition, the conduit has a high flexibility to protect cables from excessive bending.

Thanks to the robust design, conduit fittings are often used in installation technology, automation and machine systems.

Specification

- Length: approx. 2 m
- Diameter: approx. 15.8 mm
- Reusable
- Flexible
- Thread size of hose fitting: PG11
- Screw mounting with 12 mm hole
- Protection class: IP67
- Operating temperature: -30 °C ~ 80 °C
- Material: plastic
- Colour: black

Package contents

- Cable protection conduit
- 2 x conduit screw connection
