

Item no.: 367180

60357 - Cable gland PG16 with strain relief and bend protection black

4,82 EUR

Item no.: 367180
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable gland by Delock provides a watertight seal to the housing for the feed-through of cables and electrical lines. Additional protection through strain relief. The screw-on strain relief fixes the cable and protects it from excessive bending, e.g. in machine installations. The cable remains in its original position even in the event of vibrations and cannot fall out. IP68 dust and waterproof. The cable gland also offers increased protection against dirt and moisture. Versatile. The robust design is ideal for automation, the robotics industry and machine systems. Specification- Thread size: PG16- Thread length: 10 mm- Width across flats: 27 mm- Protection rating: IP68- Cable diameter: min.: 10 mm max.: 14 mm- Operating temperature: -40 °C ~ 100 °C- Material: plastic / metal- Colour: black RAL9005 Package contents- Cable gland
