

Item no.: 367232

60470 - EX cable gland M16 grey 2 pieces

from **5,83 EUR**

Item no.: 367232
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable gland from Delock offers comprehensive protection for use with electrical equipment in potentially explosive atmospheres such as gas and dust environments. The integrated sealing insert also provides increased protection against dirt and moisture.

Thanks to the robust design, the EX cable glands are often used in the chemical industry, automation and machine installations.
