

Item no.: 368037

83318 - Cable Mini SAS SFF-8087 to 4 x SATA 7 Pin Reverse + Sideband 0.5 m

from **27,82 EUR**

Item no.: 368037
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

Description This reverse breakout cable by Delock can be used for the internal connection of various SAS devices, e.g. an HDD backplane with mini SAS connector to a controller with 4 SATA connectors. The metal clips on the SATA connectors allow them to snap into place when connecting. Note- It is not possible to use SAS hard drives with a SATA controller- To connect a SAS controller with SFF-8087 to 4 SATA hard drives, use instead the Delock article 83313 (Forward Breakout) Technical data- Connectors: Host: 4 x SATA 7 pin > Device: 1 x Mini SAS SFF-8087 male 1 x 8 pin sideband female- Pinout: Reverse breakout- Serial Attached SCSI (SAS) specification- Length incl. connectors: approx. 0.5 m System requirements- One free Mini SAS or SATA interface Package contents- Mini SAS cable
