

Item no.: 367290

## 87137 - Patch cable extension, S/FTP, 5m, black

from **7,38 EUR**

Item no.: 367290  
shipping weight: 0.20 kg  
Manufacturer: Delock

### Product Description

This network cable from Delock can be used to extend and connect various devices. The screwable RJ45 panel jack can be attached to the Delock Easy 45 module. The module sits firmly in place thanks to the simple snap-in mechanism and can be easily removed if required.

Easy 45 is a variable, modular system that allows components such as sockets, HDMI or USB connections to be assembled according to individual requirements. The Easy 45 modules are standardised and can be mounted in various module supports or parapet channels. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
