

Item no.: 367168

60344 - Cable gland with strain relief PG11 grey

from **1,49 EUR**

Item no.: 367168
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This cable gland from Delock provides a watertight seal to the enclosure for the feed-through of cables and electrical wires. Thanks to the anti-kink spiral, the flexible cables are secured and protected against excessive bending, e.g. in moving machine parts. The cable gland also provides increased protection against dirt and moisture. Versatile The robust design is ideal in the field of automation, in the robotics industry and for machine installations.

- Thread size: PG11- Thread length: 8 mm- Width across flats: 22 mm- Protection class: IP68- Cable diameter: min.: 5 mm; max.: 10 mm- Operating temperature: -40 °C ~ 100 °C- Material: plastic- Colour: grey RAL7035
