

Item no.: 367524

86029 - Active Optical HDMI Cable with Metal Armour 8K 60 Hz 10 m

from **89,50 EUR**

Item no.: 367524
shipping weight: 0.70 kg
Manufacturer: Delock

Product Description

This HDMI cable from Delock is used to connect devices with HDMI interfaces, such as TVs, Blu-ray players, monitors or beamers. Supporting a maximum bandwidth of 48 Gbps, it can play content with a resolution of up to 8K Ultra HD (7680 x 4320 @ 60 Hz). Active Optical Cable This active optical cable uses optical fibres to transmit high-speed signals. Compared to traditional copper cable, it is softer, thinner, lighter and can transmit signals over longer distances without loss. With metal armour The robust cables offer increased protection against damage and external influences. Despite the metal sheath, the cables remain pliable and flexible. The cables are also characterised by their high tensile strength.

- Connectors: 2 x HDMI-A male- Active optical cable: fibre optic / copper hybrid cable- Cable jacket material: TPU- With metal armouring- High Speed HDMI specification- Fixed signal direction- Transmission of audio and video signals- Data transfer rate up to 48 Gbps- Maximum resolution (depending on system and connected hardware): HDMI up to 7680 x 4320 @ 60 Hz; HDMI up to 3840 x 2160 @ 144 Hz- Supports HDR (High Dynamic Range)- Supports HDCP 1.4 and 2.3- Cable diameter: approx. 6.0 mm- Smallest bending radius: approx. 20 mm- Operating temperature: -40 °C ~ 70 °C- Contacts gold-plated- Colour: black- Length incl. connections: approx. 10 m System requirements: - One free HDMI interface
