from **18,32 EUR**

Item no.: 343566
shipping weight: 0.10 kg
Manufacturer: Yealink

Product Description

BLT60 - Busylight

The Yealink BLT60 helps to boost great productivity in the office. With its star/heart/square shape light guide, no matter which one you choose, people around you can always know your working state. It synchronously displays the current desk phone/softphone presence state with the colors. For example, when BLT60 turns red, that means you are in a call, then people would not interrupt you.

In addition, the Yealink BLT60 comes with a 1.8 m long cord, which allows you to place the light wherever it's easily seen, for example, the corner of your desk or the PC monitor. When you are away from your desk while the Yealink BLT60 is flashing red, you can still know there is an incoming call and never miss it, even though there is no bell reminder.

- Package content: BLT60, quick start guide
- Package size: 47 x 23 x 133 mm
