

Item no.: 350058

KCP3L16SS8/4 - 4 GB DDR4 1600 MHz, 1 Modul

from **24,46 EUR**

Item no.: 350058
shipping weight: 0.10 kg
Manufacturer: Kingston

Product Description

DDR3L - 4 GB - SO DIMM 204-PIN - unbuffered

High quality components. Rigorous testing procedures. Just two of the many reasons why it's worth choosing Kingston memory for your PC or notebook.

- Type: DRAM
- Technology: DDR4 SDRAM
- Data integrity check: Non-ECC
- Supply voltage: 1.35 V
- Form factor: SO DIMM 204-PIN
- Memory capacity: 4 GB
- Module configuration: 512 x 64
- Metal plating: Gold
- Memory speed: 1600 MHz
- CAS Latency: CL11
- Memory specification compliance: PC3L-12800
- Registered or buffered: Unbuffered
- RAM Characteristics: Low voltage
- Module Height (Inch): 1.7
