### Product Description

This high-quality mouse pad by Delock is particularly suitable for use in gaming, home or office environments. Due to its special size, the mouse pad offers enough space to place a keyboard and mouse, while still leaving enough room to work and play with a mouse. The surface of the mouse pad is designed to be water-repellent to liquids and easy to clean. It also supports the speed and accuracy of mouse control, which is particularly important in the gaming sector. The black edge seam prevents the mouse pad from fraying.
