

Item no.: 362002

Mini stereo PC speaker with 3.5 mm jack plug and USB power supply

from **13,35 EUR**

Item no.: 362002
shipping weight: 0.40 kg
Manufacturer: Delock

Product Description

This stereo speaker from Delock can be connected to a free 3.5 mm jack socket to listen to music, for example.

Universal & mobile use Thanks to the USB power supply and the 3.5 mm jack plug, the speakers can be used universally. No external power supply is needed, as the power supply runs via USB. The speakers can therefore be operated on a notebook while on the move or at home on a PC, tablet or MP3 player.

Stereo sound The speakers offer good sound despite their compact size.

Stepless volume control The speakers have a volume control on the back of the housing for individual and stepless adjustment of the volume.
