

Item no.: 361249

## USB 3.0 Port Replicator

from **149,04 EUR**

Item no.: 361249  
shipping weight: 0.90 kg  
Manufacturer: Delock

### Product Description

You can connect this Delock port replicator to your computer via a single USB port and expand it with various interfaces such as USB, audio, Gigabit Ethernet, DVI and HDMI. You can connect two additional monitors to the DVI and HDMI port. The port replicator supports an HD resolution of up to 2048 x 1152.

Due to the Displaylink graphics chipset, it is possible to use mirrored and extended display functions under Windows and Mac OS operating systems.
