Product Description

This hard-wearing Velcro strap by Delock is ideal for space-saving bundling of several cables, hoses or wires, for example. The Velcro fastener allows the strap to be attached quickly and removed easily. The hard-wearing material ensures high strength and stability. The eyelet allows the cable bundle to be fixed or hung on a wall, for example, using a screw. The strap is also perfect for hanging heavy tools, such as a handsaw or a drill, but also as a carrier on bags and rucksacks.
