from **3,69 EUR**

Item no.: 372638
shipping weight: 0.10 kg
Manufacturer: Delock

2 x

Product Description

These end caps by Delock are used to seal open cable ends to protect them from the weather and mechanical damage. The caps can be heated with a heat gun. When heated, the protective layer over the adhesive dissolves and the melted adhesive coating encases the cable inside the cap. The adhesive solidifies as it cools.

Specification- Length: approx. 80 mm- Diameter: approx. 25 mm- Adhesive-coated- For cable diameters from 12.0 - 22.0 mm- Bonding temperature: 90 °C - 130 °C- Material: polyolefin- Colour: blackPackage contents- 2 x end capsPackaging- Resealable bag
