

Item no.: 372376

20927 - DisplayPort Port Blocker Set for DisplayPort sockets 4 pieces + locking tool

from **14,92 EUR**

Item no.: 372376
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

With the DisplayPort Port Blocker Set by Delock, DisplayPort sockets can be secured against unauthorised access. The port blockers inside the tool are placed on the tip, pushed into the DisplayPort port and block the DisplayPort socket. A total of 4 DisplayPort ports can be blocked with the set. Access to the socket via cables or similar is then no longer possible. The enclosed tool is required to release the lock. Practical design with eyelet The shape of the tool is reminiscent of a USB stick and the eyelet at the rear end makes it possible to attach the port blocker to a bunch of keys, for example.

Specification- Suitable for all standard DisplayPort sockets- Colour of tool: grey- Colour of DisplayPort port blocker: blue- Tool dimensions (LxWxH): approx. 69 x 19 x 12 mm
System requirements- One free DisplayPort socket
Package contents- 4 x DisplayPort port blockers- 1 x locking tool
