from **14,92 EUR**

Item no.: 372356
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

With the USB Type-C™ Port Blocker Set by Delock, USB Type-C™ sockets can be secured against unauthorised access. The port blockers housed inside the tool are placed on the tip, pushed into the USB Type-C™ port and block the USB Type-C™ socket. A total of 5 USB Type-C™ ports can be blocked with the set. Access to the socket by cable or similar is then no longer possible. The enclosed tool is required to release the lock. Practical design with eyelet. The shape of the tool is reminiscent of a USB stick and the eyelet at the rear end makes it possible to attach the port blocker to a bunch of keys, for example.

Specification- Suitable for all standard USB Type-C™ sockets- Colour of tool: grey- Colour of USB Type-C™ port blocker: blue- Tool dimensions (LxWxH): approx. 69 x 19 x 12 mm
System requirements- One free USB Type-C™ socket
Package contents- 5 x USB Type-C™ port blockers- 1 x locking tool
