

Item no.: 372355

20925 - Micro USB port blocker set for micro USB socket 5 pieces + locking tool

from **15,52 EUR**

Item no.: 372355
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

With the Micro USB Port Blocker Set by Delock, Micro USB sockets can be secured against unauthorised access. The port blockers inside the tool are placed on the tip, pushed into the micro USB port and block the micro USB socket. A total of 5 micro USB ports can be blocked with the set. Access to the socket by cable or similar is then no longer possible. The enclosed tool is required to release the lock. Practical design with eyelet. The shape of the tool is reminiscent of a USB stick and the eyelet at the rear end makes it possible to attach the port blocker to a key ring, for example.
