from **48,64 EUR**

Item no.: 373750
shipping weight: 0.60 kg
Manufacturer: Delock

Product Description

This Delock removable rack can be installed in the 3.5" or 5.25" bay of the PC. It includes an enclosure for 2.5" SATA hard drives or SSDs, which can be operated either directly in the removable frame via SATA or externally via USB. Note: The optional 2.5" enclosure article 47226 allows several hard drives or SSDs to be conveniently exchanged.
