Product Description

This USB memory stick by Delock can be used to store and transport data such as photos, videos and music. The USB stick can be connected either via the USB Type-C™ or USB Type-A connector by simply turning the inner part and then snapping it into place. Thanks to the stylish design with eyelet, the small USB memory stick can be easily attached to a key ring for transport. Small, sturdy helper Thanks to its small dimensions and sturdy metal housing, this Delock USB stick is particularly suitable for travelling. Thanks to its small design, the USB stick fits in any trouser pocket.
