Product Description

This wireless USB keyboard from Delock with various multimedia keys brings peace and quiet to any working environment. Whether in an open-plan office or at home, for example, the Delock keyboard with its silent keys ensures noiseless and pleasant working at the computer. The click feeling also remains unchanged with this keyboard, despite the reduced clicking noise.

Soft keystroke Due to its flat key shape, the Delock keyboard supports a pleasant and soft keystroke.

Position adjustment With the help of the two foldable feet, the keyboard can be adjusted to the desired level.
