

Item no.: 361836

USB microphone with stand and touch-mute button

from **29,95 EUR**

Item no.: 361836
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

This USB microphone from Delock can be used for voice and vocal transmissions. The rubberised base ensures a non-slip stand and the gooseneck allows the microphone to be bent in the ideal direction. The LED ring signals the operational readiness by means of a blue or red light and the microphone can be muted with the touch mute button.
