

Item no.: 361887

USB Condenser Microphone with Stand 24 Bit / 192 kHz for PC and Notebook

from **30,95 EUR**

Item no.: 361887
shipping weight: 0.40 kg
Manufacturer: Delock

Product Description

This USB condenser microphone from Delock can be used for high-quality voice and vocal recordings and is therefore suitable for streaming, podcasting, gaming and video conferencing.

Optimal recordingsThe microphone has a cardioid polar pattern (unidirectional) and therefore captures the sound ideally. Thanks to high performance and low self-noise, even the finest sounds are optimally recorded and can be reproduced precisely.

High-resolution sampling rateConventional USB microphones work with 16 bit and 44 kHz. The Delock microphone offers a sampling rate of 24 bit and 192 kHz, so that recordings in high-resolution Hi-Fi studio quality are possible.

Stepless microphone gainThe microphone gain control allows the recording of the microphone to be set individually louder or softer.

Plug & PlayThanks to USB Plug & Play, the microphone is ready for immediate use and no driver installation is necessary. The microphone works with all common operating systems such as Windows, Mac OS, Chrome OS and Linux.

Stable & Non-Slip StandThe metal stand with rubber feet ensures that the microphone stands stably on the table. The three-legged table stand can be easily folded up and transported if necessary.

Specification

- Connection: 1 x USB 2.0 type-B socket
- Polar pattern: uni-directional
- Sensitivity: -13 dB +/- 3 dB
- Frequency range: 20 Hz - 20 kHz
- Sampling rate: 24 Bit / 192 kHz
- Signal-to-noise ratio (SNR): approx. 60 dB
- Sound pressure level (SPL): max. 93 dB
- Cable length: approx. 1.5 m
- USB bus power
- Plug & Play

System requirements

- Chrome OS
- Linux Kernel 4.4 or higher
- Mac OS 10.9 or higher
- Windows 8.1/8.1-64/10/10-64
- PC or notebook with a free USB Type-A port

Package contents

- USB Microphone
- USB 2.0 Type-A to USB 2.0 Type-B cable
- Table stand (tripod)
- Microphone installation ring
- Operating instructions
