

Item no.: 361872

USB microphone with gooseneck and mute button

from **17,16 EUR**

Item no.: 361872
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This USB microphone from Delock can be used for voice and vocal transmissions.

Optimal recordingsThe microphone has a cardioid directional characteristic (unidirectional) and thus captures sound ideally. Thanks to high performance, low self-noise and precise reproduction, even the finest sounds are optimally recorded.

Mute button & LED ringThe microphone can be quickly muted with the mute button in the centre of the microphone. The LED ring indicates readiness for operation by means of a blue or red light.

Flexible gooseneckThanks to the gooseneck, the microphone can be bent in the desired direction.

Plug & PlayThanks to USB Plug & Play, the microphone is ready to use immediately and no driver installation is necessary. The microphone works with all common operating systems such as Windows, Mac OS, Chrome OS and Linux.
