

Item no.: 361844

Delock USB condenser microphone with table stand - ideal for gaming, skypeing and singing

from **22,31 EUR**

Item no.: 361844
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

This professional USB microphone from Delock can be used for high-quality speech and vocal transmissions. The microphone has a circular directional characteristic (omnidirectional) and thus captures the sound ideally. Thanks to a high output and low self-noise, even the finest sounds are optimally picked up and can be reproduced precisely. The table stand can be easily folded up and transported if necessary.

Specification

- Connection: 1 x USB 2.0 type-A plug
- Polar pattern: omnidirectional
- Sensitivity: -38 dB +/- 3 dB
- Frequency range: 50 Hz - 16 kHz
