

Item no.: 361776

USB Type-C[™] docking station for 2 x SATA HDD / SSD transparent

from 44,62 EUR

shipping weight: 0.60 kg Manufacturer: Delock

Product Description

This docking station from Delock is used for the external connection of two 2.5? or 3.5? SATA HDDs or SSDs via the USB-C™ interface. This solution eliminates the need for an external enclosure as the drive is inserted directly into the docking station. The included USB Type-C™ to USB Type-A cable allows the connection to a free USB Type-A socket. Transparent housingThe robust, transparent plastic housing allows you to see inside. Specification
