Item no.: 362016
USB pin header plug to 2 x USB 2.0 socket

from **9,93 EUR**

Item no.: 362016
shipping weight: 0.10 kg
Manufacturer: Delock

📄 Product Description

This USB pin header plug adapter can be plugged into a free USB port of your mainboard with the help of a cable in order to expand the system internally by 2 USB ports. This allows you to use a USB memory stick or USB WLAN stick internally, for example. Starting from pin 1, both USB sockets are oriented upwards.
Specification

- For 2 x USB2.0-A socket directly on the mainboard
- One 2 x 5 2.54 mm pin header connector
- For pin header with USB power on pin 1+2
- USB port orientation: top

System requirements

- Mainboard with one free USB pin header port

Package contents

- USB Pinheader Adapter
