Product Description

This sturdy USB hub by Delock in a metal housing is connected to a computer, notebook or mobile device via the USB-C™ port. It expands the computer with 3 USB type A ports. Various USB devices, such as USB sticks, card readers, external housings, etc., can be connected. Each port can be switched on or off individually using the switches. Integrated card reader. In addition, the hub with integrated card reader expands a PC or notebook with an SD and a micro SD slot. Supports USB 10 Gbps. A maximum data transfer rate of up to 10 Gbps can be achieved. Small, stable helper. Due to its small size and stable housing, this Delock hub is particularly suitable for travelling. It can simply be packed in your bag together with your notebook or tablet and used when needed.
