

Item no.: 373272

## 64128 - RGB hub for ARGB LEDs with 10 ports

from **14,66 EUR**

Item no.: 373272  
shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

This RGB hub by Delock can be connected to a motherboard with addressable RGB 5 V connector to expand the internal LED lighting. This means that up to 10 ports are available on one ARGB connection for customised lighting. Two magnets on the underside provide a good mounting option in the computer case.
