shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

This flexible USB cable hub by Delock is connected to a computer via the USB Type-C™ port. It expands the computer with three USB Type-A sockets and one USB-C™ plug. The USB-C™ port is used to connect various smartphones or external housings etc. so that data can be transferred or devices can be supplied with power. Note: The power supply of the connected devices depends on the input power and the number of connected devices.
