65481 - D-Sub 15 pin plug > socket Port protector

from **3,21 EUR**

Item no.: 372444
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This adapter by Delock can be plugged into the D-Sub 15 pin connector of your device or system and used as a port saver. This protects the actual D-Sub 15 interface in applications with high mating cycles. Furthermore, the adapter can also be used as a mechanical extension of the D-Sub 15 port for special applications.

Specification- Connectors:D-Sub 15 pin (2-row) male > D-Sub 15 pin (2-row) female- Port protector- D-Sub 15 female with nuts- D-Sub 15 male with screws- Connectors nickel-plated- Dimensions (LxWxH): approx. 39 x 17 x 12 mmSystem requirements- One free D-Sub 15 pin (2-row) interfacePackage contents- D-Sub 15 adapterPackaging- Resealable bag
