

Item no.: 373315

65873 - Omnidirectional condenser desktop microphone for conference with 3.5 mm jack

from **22,65 EUR**

Item no.: 373315
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This desktop microphone by Delock is designed for use in conferences. Thanks to the omnidirectional and conical directional characteristic, the sound is optimally captured and reaches a long range. This makes it ideal for recording interviews, conferences, lectures, etc. It can be connected to any PC or notebook via the 3-pin jack connection. It can also be connected to a tablet or smartphone using the 4-pin Y adapter included in the scope of delivery.
