66072 - Audio extension cable jack 3.5 mm 4 pin plug to socket Ultra Slim

from **2,53 EUR**

Item no.: 372336
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This jack cable by Delock with its 4-pin connection is compatible with devices with a CTIA jack connection, such as smartphones or tablets, and serves as an extension of the 3.5 mm jack connection. This means the cable can be used when connecting headphones to a mobile device, for example. The microphone function of the headset is still supported. Flexibility Thanks to its small cable diameter, it is particularly flexible and ideal for use on the move.
