shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This tie lavalier microphone by Delock is designed for mobile use and hands-free recording. With clip for attaching it can be easily attached to a tie or collar with the clip. Optimal recordings. The omnidirectional directional characteristic optimally captures the sound and thus achieves a high recording quality. This makes it ideal for interviews, voice recordings and Skype. Versatile it can be connected to any PC or notebook via the 3-pin jack connection. It can also be connected to a tablet or smartphone using the 4-pin Y adapter included in the scope of delivery.
