

Item no.: 353568

64088 - External USB 3.0 hub with 7 ports, transparent

from **30,90 EUR**

Item no.: 353568
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This sturdy USB hub by Delock is connected to a computer via the USB type A port. It expands the computer with 7 USB type A ports. Connected devices, such as smartphones, can be charged or data can be transferred at 5 Gbps. Transparent housing The robust, transparent plastic housing allows you to see inside. A blue LED on the underside makes the hub look elegant even in the dark. Sufficient power supply The hub has an additional power supply socket. This means that devices connected to the hub can be better supplied with power if required, e.g. to charge several smartphones or tablets at the same time.
