from **142,42 EUR**

Item no.: 353723
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

PCI Express x4 card > 4 x external USB 3.0 Quad Channel

The PCI Express card from Delock expands the PC with four external USB 3.0 ports. Each port is powered by a single Renesas chipset, enabling a high data transfer rate. Various USB devices, such as docking stations, card readers, external enclosures, etc., can be connected. Due to the vertical arrangement of the USB 3.0 ports, installation in a low-profile slot is possible.

Package contents

- PCI Express card USB 3.0
- Low profile bezel
- Driver CD
- Operating instructions
- Connections: external: 4 x USB 3.0 type-A socket; internal: 1 x SATA power connector, 1 x Molex 4 pin power connector, 1 x PCI Express x4, V2.0
