from **7,38 EUR**

Item no.: 372844
shipping weight: 0.10 kg
Manufacturer: Delock

EASY
45

Product Description

This network cable by Delock can be used to connect various network devices, e.g. a notebook with the existing network. Thanks to the simple snap-in mechanism, the module sits firmly in place and can be easily removed if required.FlexibleThe network cable can be pulled out in six stages and thus offers different cable lengths as required. When the cable is not needed, it is neatly rolled up and stowed away.Easy 45 connectsEasy 45 is a variable, modular system that allows you to combine components such as sockets, HDMI or USB connections according to your own requirements. The Easy 45 modules are standardised and can be installed in various module supports or trunking. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
