shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This sturdy USB hub from Delock in a metal housing is connected to a computer, notebook or mobile device via the USB type-A port. It expands the computer by 4 USB type-A ports. Various USB devices such as USB sticks, card readers, external housings etc. can be connected.

Due to its small dimensions and sturdy housing, this Delock hub is particularly suitable for travelling. It can simply be packed together with the notebook or tablet in the bag and used when needed.
