from **7,61 EUR**

Item no.: 373607
shipping weight: 0.30 kg
Manufacturer: Delock

Product Description

This patch panel by Delock is suitable for installation in a 19" network cabinet. Neat cable routing: The network cables are simply routed from the front to the back, thus the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression. Removable cover for optimum cable management: The removable cover on the front conceals open cables and protects them from damage. With cable feed-through: The patch panel is equipped with two openings at the rear to enable easy cable access and organised cable routing.
