

Item no.: 372481

86425 - RJ45 Secure clip with plug Set of 6 pieces

from **5,23 EUR**

Item no.: 372481
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

The RJ45 Secure Clip with plug by Delock can be locked in the RJ45 socket and the socket is blocked and secured against unauthorised use. This allows physical access to the network to be controlled in security-relevant areas, e.g. in public spaces or data centres. The enclosed tool is required to release the lock.

Specification- Suitable for all standard RJ45 sockets
System requirements- One free RJ45 socket
Package contents- 6 x RJ45 Secure Clip with plug- 1 x RJ45 Secure Clip
tool
Packaging- Resealable bag
