from **8,07 EUR**

Item no.: 372694
shipping weight: 0.10 kg
Manufacturer: Delock

5 x

Product Description

The RJ45 Port Blocker by Delock can be locked in the RJ45 socket and the socket is blocked and secured against unauthorised use. This allows physical access to the network to be controlled in security-relevant areas, e.g. in public spaces or data centres. The enclosed tool is required to release the lock.

Specification- Suitable for all standard RJ45 sockets- Colour: white / yellowSystem requirements- One free RJ45 socketPackage contents- 5 x RJ45 Port Blocker- RJ45 Secure tool
