

Item no.: 373300

85838 - Coiled cable 3.5 mm 3 pin jack plug to jack plug with screw adapter

from **12,78 EUR**

Item no.: 373300
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This jack cable by Delock can be used to connect various audio devices with a 3.5 mm or 6.35 mm jack socket. The included jack adapters can be screwed onto the 3.5 mm plug to ensure a stable connection. The cable is therefore also suitable for connecting audio devices with a 6.35 mm interface. Special cable sheath The outer TPU material of the cable sheath makes the cable significantly more flexible and more resilient in handling. Coiled cable The coiled cable is easy to stow away and, unlike conventional cables, takes up less space.
